Dear Stuart

This — has been fun
even though I know you!
I always feel like a creep,
inferior, stupid, queer, when
you are around a super-
intelligent, beautiful queen of
life — me. I'm sure I can
improve you ☺. Keep your

I dominate you.

Love you + Rick

Oh! thus be it ever when freeman shall
stand,
Between their loved home and the war's
desolation,
Blest with vict'ry and peace, may the
Heav'n-rescued land
Praise the power that hath made and pre-
served us a nation.
Then conquer we must, when our cause it
is just,
And this be our motto, "In God is our
trust."
And the star-spangled banner in triumph
shall wave
O'er the land of the free and the home
of the brave.

GROSSE POINTE UNIVERSITY SCHOOL

IN MEMORIAM

MRS. EUNICE M. COLLINS
1950-1960

Mrs. Collins's death last year meant a great loss for us at Grosse Pointe University School. She was always a most dedicated teacher, and despite her painful illness, even up to the last, she tried to be with her second graders as much as possible. In her ten years here, we have all benefited from her loyalty to the school and her devotion to her students.

DEDICATION

EARL L. KIMBER
1929-1955
1960

Mr. Kimber, returning to G.P.U.S. after five years' absence, has commanded the respect and admiration of students and faculty alike. He is a history fanatic as well as a dedicated teacher. Students like to be presented with a challenge—we can certainly credit Mr. Kimber with this. He is tops as a senior advisor. We like this man. He is great.

DEDICATION

DONALD A. ROBERTS
1956

Humor to raise us from the depths of frustration or gloom, thoughtfulness to seek us out and praise a deed well done, a warmth of personality that all around him feel—these are only part of what Mr. Roberts has been to us. He is able to mix serious study with lightest thoughts. His ridiculous phrases and far-fetched puns make even the study of grammar enjoyable. He inspires all his students to do their best and we do! The Class of 1961 will remember Mr. Roberts in many different ways, but whether it be his blue eyes or his puns, we will all retain our love and respect for this man.

DEDICATION

H. CLARE LOCKHART

1950-1952

1955

In her eight years at G.P.U.S., Miss Lockhart has impressed her students with her sincerity and devotion. As chief counselor of the senior class, she has used her patience and understanding to solve many world-shaking problems. She has an outstanding sense of humor and makes us see the funny side of every dilemma. She is an inspiring teacher and gives each student incentive to do his best.

HEADMASTER'S MESSAGE

To the Class of 1961:

I have an especially warm regard for the Class of 1961. One reason for this, I think, is that more of you have been longer in the school than any previous class and thus I know you better. Ten of you have been with me for twelve years and seven of the ten had a year or two in Nursery and Kindergarten before I arrived. Twenty seven of you have attended six or more years. Your unity and stability as a class is undoubtedly partly due to your warm reception of those new members who joined you after the seventh grade. With Dirk and Lucia you number forty nine and thus qualify as the largest of the seven classes **which Grosse Pointe University School has graduated.**

Statistically you are the brightest of seven, too. With an average I.Q. of 124 and median scores on the S.A.T.'s of 596 verbal and 582 mathematical, you surpass by a bit your predecessors of 1960. The year end will tell whether your actual performance has matched your potential. Since no class has ever worked **harder or more thoughtfully I believe the outcome is assured.**

And finally, individually and collectively, you have been a joy to know and work with. Individuals you definitely are, and we have admired, and, I trust, respected your individuality. Each in his own way has contributed to the forging of a class record of service to the school as well as of academic performance of which you all can be very proud.

You go forth as individuals, ready, able, and willing to bring honor to yourselves and to your school. Our hopes for every success and happiness go with you.

Grosse Pointe University School is an educational institution incorporated under the laws of the State of Michigan as a "trustee corporation."

Under the provisions of the law governing such corporations the trustees have "general power, discretion and authority to . . . maintain and manage a school." Thus the trustees have full responsibility for and control of the "business and secular affairs" and also the "educational affairs and policy" of the school. In practice the trustees concern themselves primarily with establishing policies governing all areas of the school's operation. To the headmaster, and through him to the faculty, they delegate the responsibility for carrying out these policies. Also, in fulfillment of their financial responsibility, the trustees plan and direct the school's fund-raising programs.

The board of trustees of Grosse Pointe University School has, however, always been more than a policy-setting body. Composed primarily of parents of students attending the school, the board, through a variety of committees, takes an active part in the school's administration. The Finance Committee reviews the annual financial operation, approving the

budget and establishing tuition fees, and also advises the headmaster on business matters in general. The Scholarship Committee directs the scholarship program, choosing the scholarship winners and determining the amounts of the awards. The Long Range Planning Committee plans for the future, continually reviewing the aims and requirements of the school's total program. The Building and Grounds Committee is concerned with the planning of new facilities as well as the proper maintenance of the existing plant. Other committees are concerned with the Annual Giving Program, the Parents' and Alumni Associations, and grants to the faculty from the Study and Travel Fund.

The trustees meet regularly during the school year to act on the recommendations of the various committees, to hear reports from the headmaster, and, on occasion, other members of the faculty, and to consider with the headmaster the needs of the school.

The number of trustees is variable, but may not exceed twenty-two. The usual time of service is two three-year terms, although a trustee may, at the discretion of the board, serve additional terms.

CLASS MESSAGE

The key word throughout our life at Grosse Pointe University School has been *success* and we honestly feel we have achieved it. Our successes have been many—our record-breaking academic prowess, and our extra-curricular performance, athletic, artistic, dramatic, and musical, will, we hope, create new standards here at G P U S. Our academic achievements have set new records, and, in some areas, we have succeeded beyond that expected of us.

Our accomplishments can be seen throughout the school. Our close relationship with the faculty and administration as well as the unity of our two classes, has meant much to each of us.

We will have much to look back on. We only hope that those who have gone through G P U S with us—faculty, parents, and underclassmen—have been able to experience with us the pleasures, benefits, and love of our school life, for they have been an integral part of it. It is to them, then, that we give our message—a message of thanks to all those who have helped us to attain our high level of success here at G.P.U.S.

UPPER SCHOOL STUDENT COUNCIL

First Row: Betsy Peabody, Judy Robinson, Judy Tipton, Lynn Leithauser, Susan Peabody, Cecily Smith

Second Row: Clyde Thurber, John Baker, Peter Monroe, Sandy Coe, Steve Parks, Jim Jennings

The major purpose of the Student Council is to support the faculty and administration in co-ordinating student affairs. The students have continued to give support to their Student Council representatives as evidenced by the success of our annual Torch Drive. Along with the customary duty of supervising class budgets and projects, this year the Student Council

has volunteered to manage a library showcase. This is intended to acquaint the school with the activities of the various school organizations. Altogether, this year's Student Council, with Judy Tipton and Peter Monroe as Co-presidents, and Lynn Leithauser and Sandy Coe as treasurer and secretary, has enjoyed a busy and productive year.

Boys and girls of the fourth, fifth, and sixth grades make a beginning in assuming some responsibility in helping to govern various activities of the Lower School. Twice a year, by election, or by teacher appointment, four boys and four girls of the sixth grade, one boy and one girl in fifth and fourth grades serve on our Student Council. They share in monitoring both dining room and halls, classroom and playground. Each week two award plaques for deportment in these areas are presented to the class deserving them. Although the activities of the Student Council are quite limited, an important contribution is made by it to the life and morale of these lower grades.

AMERICAN FIELD SERVICE EXCHANGE STUDENTS

DIRK KONIGEN

As I go over the past year, I realize how much G.P.U.S. has meant to me. G.P.U.S. made possible my obtaining an A.F.S. scholarship by participating in the A.F.S. program. The school also helped me to make this year a good year. I owe thanks to Mr. Chandler, Mr. Grimes, and the faculty for giving me the opportunity to learn more about American history and literature, and to learn more about American problems and ideals. Also the students helped make this year an unforgettable year for me by giving me new experiences like the class parties, the senior room, skiing, poker, and hockey. The students made me feel at home right from the beginning by receiving me very kindly and hospitably. For all this, I would again, with real gratitude like to thank the whole school, and everybody connected with it.

LUCIA BACCOLINI

After my first day in school, I thought I should never be able to get acquainted with all the rooms, corridors, locker combinations, or schedules. I will take back with me particularly the informality with which classes are conducted and the absolute honesty of each student. My deep and sincere gratitude to Mr. Chandler, the faculty, and all students who have made my year at G.P.U.S. an unforgettable one.

Walk together, talk together, all ye peoples of the earth, then and only then shall ye have peace.

American Field Service exchange students have been, and will continue to be, an integral segment of school life at G.P.U.S. Therefore, in order to improve and stimulate interests for all factions of the school, the American Field Service Club was founded. We are not a year old and yet we have achieved our proposed goals beyond our wildest expectations. Augmenting this, we have given two dances; we sold Christmas cards, and we had a booth at the Carnival in June. This is only the beginning, for we must recognize the vital need for future growth and success of not only our community effort, but the success of the entire program. It gives us a great deal of pride to know that we have started such a vital program and we sincerely hope that what we have accomplished this year will be a foundation for greater accomplishments.

RED CROSS COUNCIL

First Row: Bethine Whitney, Myron Sherer, Sally Duff, Wayne Pressel, Susan Jenks, Charles Turner.

Second Row: Bill Clark, Meredith Rieman, John VanDeGraaf, Carol Johnson, Hal Martin, Adena Wright.

Third Row: Renee Bowdy, Pam McClelland, Ford Balantyne, Miss Fenech, Tom Henry, Peggy Carpenter, Nels Olson.

This year's Junior Red Cross Council has had two main aims: to continue projects started in the past, and yearly drives; and to establish a closer relationship between the student body and its Red Cross Council. Our projects this year have been

an overseas chest, an afghan, and hospital work—the Juniors devoting their Saturdays to the Dearborn Veteran's Hospital. We had a wire hanger drive and a Red Cross fund drive, both of which were successful.

CUM LAUDE SOCIETY

First Row: Renee Bowdy, Cindy Beeman, Lynn Leithauser, Susan Wise.

Second Row: Coach McCann, Miss Ferguson, Mrs. Harris, Mr. Shover.

Third Row: Paula Waterman, Jean Templeton, Mr. Kimber, Peter Monroe, Mr. Grimes, Mr. Chandler, Judy Van Riper, Betty Carpenter.

Absent: Joann Wolfe.

Cum Laude is a national society which honors outstanding scholastic achievement on the secondary level in the same way as Phi Beta Kappa does on the college level. Members of this organization must have maintained a minimum 80% average throughout their high school years and must rank in the top 10% of their junior class, or top 20% of their

senior class. At our January assembly, six senior members were admitted: Betty Carpenter, Susan Wise, Cindy Beeman, Judy Van Riper, Paula Waterman, and Renee Bowdy. The president of our chapter this year was Peter Monroe. Miss Ferguson was secretary and Mr. McCann, treasurer.

This year, the Service Club was under the leadership of Sandy Coe, the Secretary of the Student Council. The Club is composed of those students who unselfishly donate their free time to such activities as stage work, library duty, bookstore duty, and messenger service. In

June, certificates of merit are awarded to six members of the Club who have displayed outstanding service to the school. To those six members and to all who have given up their time this year, goes the school's heartfelt thanks.

This year, the Upper School Band is comprised of twenty-eight members, eight of whom are new members. Dick Konigen, our A.F.S. exchange student, has learned to play the Sousaphone in the short time that he has been with us. The band has been a strong supporter at the football and basketball games this year. Other

events in which the Upper School Band participated were the Annual Winter Concert, Mayday, and, in conjunction with the Glee Club, the Northshore Country Day School Concert at Winnetka, Illinois. In addition, the Band takes part in the Annual Night of Music.

LOWER SCHOOL BAND

First Row: Lisa Hill, Judy Garland, Nancy Asselin

Second Row: Sandy Marks, Roger Mason, Edgar Hamilton, David Beaufait, Van Johnson, Arthur Getz

Third Row: Wendell Anderson, John Parnell, John Ford, Goeff Bellows

The Lower School Band was started three years ago by Mr. Arner. It is now composed of fourteen members from grades four, five, and six. The band meets twice a week. The Annual Night of Music is anxiously awaited by each member. Al-

though the group itself is very new, the members are quite proficient on the various instruments. The boys and girls enjoy learning the new techniques required, and they look forward to becoming members of the Upper School Band.

Fifth Row: Mr. Arner, Mrs. Robinson, Jody Jennings, Marc Shave, Dan Piegins, John Evans, Paul Weiss, Sandy Coe, Hervey Parke, John Fisher, Selden Kaufman, Tom Henry, Peter Grossi.

This school year has seen the G.P.U.S. Glee Club rising to new heights. The bi-weekly rehearsals have given us barely enough time to prepare for the several important engagements this year. In January, the Glee Club presented its winter concert, in which several kinds of music, both secular and religious, were performed. The fifty-eight members of the organization were in top form for this event. Earlier in January, it was our pleasure to introduce another school song, "Within These Cherished Walls," written by Jean Templeton, and arranged by Mr. Arner. Both the tune and words are

rapidly becoming part of G.P.U.S. tradition. Every member enjoyed the trip to North Shore Country Day School, in Winnetka, Illinois. The annual Spring Concert was given in conjunction with the band on April 28th. This was a great night for all the members of both organizations, and a fine program was arranged for our guests. Neither Euterpe, Jerpsichore, nor St. Cecelia herself, could evoke such harmony from the Glee Club, as our director, Mr. Arner, calls forth. We are all indebted to him, for he has made the Glee Club what it is today.

LOWER SCHOOL GLEE CLUB

First Row: Margaret Harris, Betsy Gram, Shiela Ford, Becky Littler, Tally Arnold, Carol Garland, Kathleen Wilkens, Julie Sibley, Walter Krawski, Matthew Holtzman, Chip Assan, Peter Roberts, Gene Whiteley, David Ballantyne, Craig Dickson.

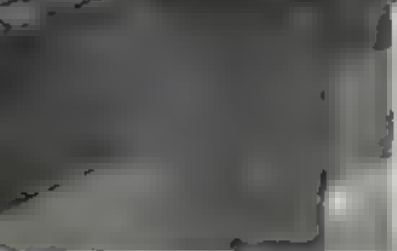

Second Row: Arthur Getz, Sandy Marks, George Holley, Danny Hall, David Holley, Billy Campbell, John Hoag, Joe Peterson, Gordie Book, Jackie Jensen, Debbie Kenned, DeeDee Lord, Cathy Gould, Sally Stahl, Mary Webber.

Third Row: Rusty Heenan, John Ballantyne, Van Johnson, Robbie Surdam, David Harris, Kathy Duff, Mary Flinterman, Beth Whitney, Amy McMillan, Nancy Schreiber, Becky French, Lisa H., Polly Wotherspoon, Betsy Wood, Jane Lord, Becky Coates, Susan Viger, Penny Chapin, Florrie Ledyard.

Absent: Lynn Howard, Chip Morsey, Debbie Humphreys, Loring Newnan.

The Lower School Glee Club is under the direction of Mr. Arner. There are fifty-three members, all from grades four, five, or six. These students are selected by audition. The group meets once a

week to learn music above and beyond that sung in the regular music class. The Glee Club is anxiously awaiting the Spring Concert, when they will sing folk songs and popular American songs.

Fourth Row: Mr. Conley, Flip Angell, Noel Savignac, Ken Perry

This year *The Periscope* staff has achieved all of its goals. We have changed the format of the newspaper to facilitate speed in printing, maintained a printing schedule in accordance with our budget, published the newspaper on glossy paper,

and have tried to raise the standards of the materials printed. The staff wishes to express its most sincere thanks to Mr. Conley, our faculty advisor, and to every member of the student body that has had a part in the publication of *The Periscope*.

PERISCRIP'T STAFF

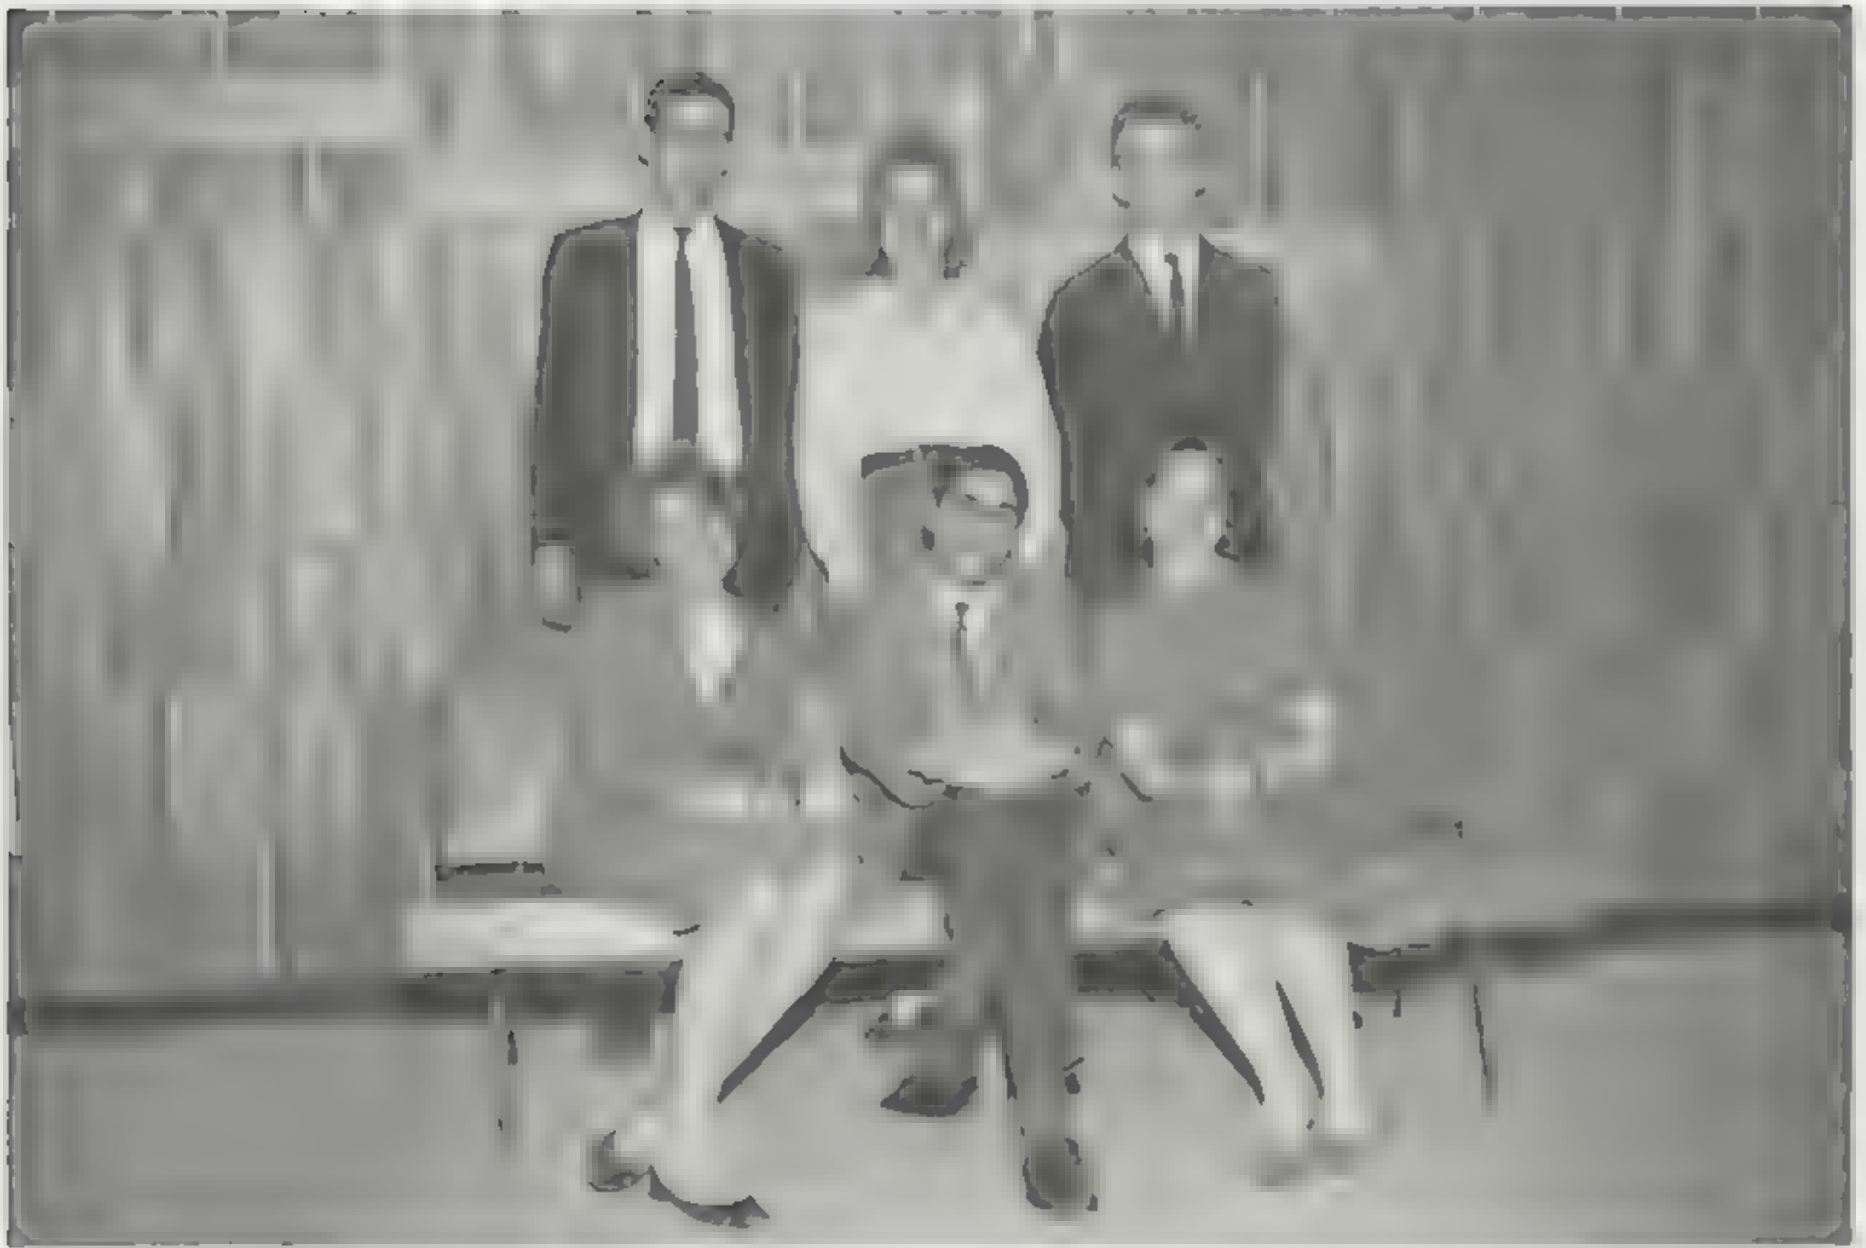

First Row: Brooke Janis, Olin Jennings, Betty Carpenter, Steve Parks

Second Row: Marcia MacDonald, Susan Deane, Charlotte Flintermann, Terry Seyler, Bob Davis, Mrs. Welcenbach, Pat Romanian, John VanDeGraaf, Penny Court, Hal Martin, John Fisher.

The staff of *Periscript*, our school magazine, seeks to stimulate and exhibit students writing and art work. This year, we have attempted to alter the appearance, tone, and emphasis of *Periscript* to this end, the length has been decreased to insure a higher quality of work, the art work has been planned with an air of

modern architectural simplicity, and we have sought to encourage more free-writing, preferably in a light or humorous vein. This year the *Periscript* has been under the direction of Co-editors Elizabeth Carpenter and Olin Jennings with the aid of Mrs. Welcenbach

PERICON STAFF

First Row: Darcy Chandler, Selden Kaufman, Cindy Beeman.

Second Row: Paul Weiss, Susan Sadler, Peter Grossi.

The *Pericon* Staff has been through much together. The last minute rushing and confusion had us all running in circles, but the experience of working with each other and with the whole school has benefited each of us. Selden and Darcy were

the co-editors; Paul took care of advertising, and Peter directed photography. Cindy and Sue found quotations and organized copy. Miss Lockhart was our sponsor and did more than her share of the work. I think we are all proud of the result.

PERICON ASSISTANTS

Olin Jennings, Adena Wright.

There is a long list of assistants to be thanked. Our outstanding helpers were Adena Wright, Olin Jennings, John Adair, Judy VanRiper, Noel Savignac, Walter Hirschberg, and John Hoag. Our thanks go to these students and to all the other members of the student body who helped. The members of the faculty were also very cooperative, and we extend our thanks to them for their efforts to make our job easier.

PROSCENIUM SOCIETY

First Row: Penny Court, Mrs. Munger, Marc Shaye, John Siegmund.

Second Row: Curt Slotkin, Noel Savignac, Sandy Coe, Susan Sadler, Judy Epton, Hervey Parke.

With seven new members, the revitalized Proscenium Society, under Mrs. Munger's guidance, made this a record-breaking production year for G.P.U.S. Besides the two annual talent shows, *A Midsummer Night's Dream* was performed as part of the Fine Arts Program, and the seventh and eighth grades acted in two highly successful operettas, *The Mikado* and *Iolanthe*. The musical comedy

Annie Get Your Gun, which was the major production of the year, was a tremendous undertaking involving all the arts: music, drama, dance, and visual art. The Society has done a great deal of hard work and had a good time producing these plays. We appreciate the wonderful cooperation and encouragement of the entire student body.

This year, the Fine Arts Departments presented a version of Shakespeare's *A MIDSUMMER NIGHT'S DREAM*. The cast was comprised of those taking dramatics, or showing an interest in acting. The seventh and eighth grade girls sang a Seventeenth Century tune under the

direction of Mr. Arner. Mrs. Munger directed the play and Mrs. Fleming did the costuming. The arts programs, originating in 1959, have been successful both in providing a chance for student actors to show their skill, and in entertaining and enlightening the student body.

May Day is one of the few remaining Country Day School traditions which is a part of our school life each year. The pageantry and majesty of the Queen and her court have been incorporated into our annual G.P.U.S. Day celebration. The Queen and her court are elected from the four upper classes by all the girls in the Upper School. The Queen, her Honor Attendant, and a representative are elected from the senior girls, and one representative is chosen from each of the other three classes.

GIRLS' ATHLETIC COUNCIL

First Row: Susan Daume, Jean Templeton, Anne Wood.

Second Row: Charlotte Flintermann, Bicky Homer, Toni Slotkin, Terry Book.

Absent: Linda Heller, Sally Leisen.

The purpose of the Council is to promote school spirit and interest in the athletic program and all school activities. The arrangement of buses to boys' away games is one function of the Council. Elections of cheerleaders, of the May Court, and of the following year's Athletic Council are handled by this group. The Council arranges hockey and basketball Play Days. At Red and Blue Day in the fall, seventh graders and new girls are placed on the Red or Blue Team. Competition in team games and a demerit sys-

tem lead up to a cup awarded to the winning team. G.P.U.S. Day and the girls' Athletic Banquet are two major jobs for the Council. This year's Athletic Council would like to express its appreciation to Miss Brock for all her help in the Council Activities.

The Athletic Honor Society was formed three years ago as an honor for girls having received letters for any two varsity sports in two consecutive years and having shown good citizenship and sportsmanship.

ATHLETIC COUNCIL

First Row: Dan Johnson, Arthur Getz, Henry French

Second Row: Paul Weiss, Sandy Coe, Lyn Walker

The principal function of the Athletic Council is to award letters to outstanding participants in boys' athletics. Recommendations for letters are submitted by the coaches at the end of each athletic season. The Council in turn votes on these recommendations. The Council also serves in a judicial capacity for those boys who participate in school athletics. Any infraction of the rules is reported to the Council and recommendations for action are forwarded to the Administration.

U CLUB

First Row: Hervey Parke, Lyn Walker, John Fisher, Olin Jennings, Dan Johnson, Coach Kimber, Coach Cragg

Second Row: Charles Coe, John Adair, Pete Monroe, Jim Nielsen, Selden Kaufman, Bill Stockard, Coach Long, Coach Bellows.

Third Row: Paul Weiss, Terry Seyler, Noel Savignac, Jim Page, John Siegmund, Steve Parks, Alan Hartwick, David Rein, Coach McCann, Coach Roberts, Coach Trim.

The *U Club* was founded by Coach Kimber in 1931, as a society to honor those boys who had received their Varsity letters. This year, a change has been made in the requirements for membership. Members will henceforth be chosen on the

basis of their interest, willingness, and school spirit, rather than merely on the receiving of a Varsity letter. Fund-raising activities this year have resulted in several generous gifts to the athletic department.

VARSITY CHEERLEADERS

First Row: Susan Wise, Cathy Bicknell, Ginny Barnes.

Second Row: Judy Tipton, Joann Wolfe, Rence Bowdy, Mary Buttrick

Absent: Lynn Leithauser.

This year, the principal goal of the cheerleading squad has been to develop cooperation among the student body, the Athletic Council, and the cheerleaders. Although we have had fewer pep rallies, the support of the athletic teams has been the best it has ever been, not only

for home games, but also at the away games. Through the careful instruction of the coaches of the various teams, we have become more familiar with the intricacies of each sport, which has aided us in becoming a more integral part of the athletic teams.

JUNIOR VARSITY CHEERLEADERS

*First Row: Mimi Edwards, Barbara Kennedy, Kathy Krieghoff, Sharon Lightbody.
Second Row: Jane Johnson, Linda Lott.*

The J.V. Cheerleaders have had a very successful season. As well as fun and excitement, the girls have gained experience which will definitely help prepare them for their varsity careers. The J.V.'s started

the year having perfected only a few cheers, but with practice and coaching, they ended the season looking much more polished.

First Row Jac Ritter, Lyn Walker, Jim Nielsen, Terry Seyler, John Adair, Sandy Coe, Paul Weiss, Hervey, Parke, John Fisher, Noel Savignac, Olin Jennings.

Second Row: Jim Page, Harrop Miller, Jim Lauve, Dick Klynn, Dick Littler, John Van DeGraaf, Paul Sheridan, Bob Davis, Brooke Harrington, David Wood.

Third Row Curt Slotkin, Al Blixt, Alan Hartwick, Dan Johnson, Bill Clark, John Golanty, Nels Olson.

Fourth Row Flip Angell, David Lord, Coach Eriksen, Coach Cragg, Coach Trim, Ralph Pressel, Tom Henry.

The Varsity Football Squad had rather a poor record this year winning only two of seven games. However, it should be mentioned that from the first early fall practices until the end of the season, every member of the team enjoyed his long hours of workout. This year's team has shown clearly that school spirit and a feeling of team unity are often found on the playing fields of G.P.U.S.

The J.V. Football team's record this season does not quite tell the story. Much progress was made and fun was had by all. Particularly heartening was the progress of the younger boys, most of whom will be back next year. George Perrin was captain and mainstay of the J.V. line. Jeff Whitehead at quarterback did a good job in his first year with the J.V.'s. End

Dave Hughes did the punting and kickoffs, and combined with Whitehead for three touchdown passes. Halfback Bill Rembacki was the team's leading ground-gainer. All the boys wish to express their thanks to Mr. Hindle and Mr. Kimber for their expert guidance. They worked us hard, but we're better because of it.

This year, the cross-country team was composed of a fine group of hard-working boys. They had a desire to do well as a team, not only to improve the school record, but also to precipitate interest in the sport throughout the upper school.

Last year, cross-country was introduced as a fall sport, and ever since, the team has met with a success corresponding to its increasing experience and support. Our sincere thanks go to Mr. Shreeman for his assistance.

Miss Brock was pleasantly surprised to see how well we played as a team. Co-captains Sally Fisher and Nancy Webber were kept busy passing out "lucky pennies" before every game.

Although the Junior Varsity Basketball Team won only two of its games, we feel that we have gained a great deal of experience and skill which will help us next year. In spite of our losing season, spirits

were high, and we managed to keep our enthusiasm throughout the season. Our thanks go to Miss Brock for her help and encouragement.

First Row: Alan Hartwick, Hervey Parke, John Adair, Terry Seyler, Sandy Coe

Second Row: Philip Anzell, George Perrin, Brooke Harrington, Paul Shendan, Bill Stockard, Peter Monroe, Coach Long.

Mr. Long, in his first year at G.P.U.S., did a very good job as coach of the varsity basketball team. The boys all wish to thank him for his support and encouragement.

Second Row: Coach Eriksen, Dick Buell, John Buell, Dick Levey, Stan Bryant, Curt Slotkin, Kerry Pike, Nels Olson, Philip Angell.

This year's Junior Varsity enjoyed the best season in the history of the school. Our team suffered both of its losses in away games, one to Cranbrook, one to Emmanuel Christian, although we beat both of these teams at home. This exceptional record is a tribute to the fine coaching, and the skill and determination of the team. The key players were John Golanty, whose performance under the boards steadily improved; David Hughes, who set a school scoring record; Jeff Whitehead, who excelled in floor play and fast breaks; Dan Johnson, who showed good overall ability, and George Perrin, whose eye for the basket and coolness under pressure added the necessary weight to produce a well-balanced, capable team.

The G.P.U.S. baseball team, which had only one senior on the roster last year, returns in 1961 as almost the same club which was fielded last year. This year's squad is in the enviable position, then, of

having already worked together for a season as a team. The extra year should add to the maturity and skill of the players, and Coaches Hindle and Cragg are confident of great improvement.

Depth is the word that best describes the 1961 track team. G.P.U.S. will have three experienced pole vaulters, and a number of sprinters, including the school record holder in the 220 yard dash, Lyn Walker. Members of the experienced

cross-country team will show up in force to provide strength in middle and long distance runs. Although Bruce Gills and Hanny Carpenter, last year's high scorers are gone, Mr. Roberts feels that the team's great depth will make up for this loss.

First Row: Carol Johnson, Anne Wood, Stephanie Fischer.

Second Row: Peetie French, Jean Templeton, Martha Howbert.

Last year, the girls' tennis team had a successful season winning three of the five matches and tying one. Susan Ford was the only girl to win all her matches. Merging with the boys' team, we had a lot of fun playing mixed-doubles against Maumee and Hamtramck. On G.P.U.S. Day, we played Hamtramck, which presented us with great competition and enabled us to play against some Mid-Western and nationally ranked players.

For most of the matches, the lineup went as follows: Singles—Gay Bacon, Sally Lewis, and Susan Ford; Doubles—Cindy Beeman with Anne Wood, Martha Menge with Jean Templeton, Carol Johnson with Martha Howbert, and Julie Ferry with Tina Gram. We wish to thank Miss Brock for her excellent coaching and undivided attention and hope that this year will also prove successful.

Class C-D Regionals			winner

Last year's tennis season was notable for two reasons. We had a fine record of five wins, one loss. This one loss, however, to Class "A" Dearborn High School, broke our winning streak at twenty-six matches. The team, comprised of Dick Baron, Bruce Birgbaurer, Pete Monroe, Jeff Miro, Chip Munger, and Bruce Pharis, won at the-

Regionals, but lost to Ann Arbor University School during the State Finals. We were runners-up in both singles and doubles. Although many of our tennis letter-men have been graduated, we have a good deal of talent coming along, so with the help of our Coach, Mr. Bellows, we expect another fine season.

Which frame is stronger?

Guardrail construction in the 1961 Ford Family of Fine Cars has greater rigidity, offers the strength of strong side rails.

Ford Motor Company builds better bodies

Millions of car frames are shaped like an "X." Weak in the middle, they lack the strength of strong side rails. Guardrail frames in the Ford and Mercury curve out. They are strong in the middle. Guard rails also protect passengers in the unitized bodies used in Falcon, Thunderbird, Comet and Lincoln Continental.

The underside of a car body has exposed parts that are especially vulnerable now that chemical compounds are used to keep roads clean and dry. In the Ford Family of Fine Cars, the most vulnerable body parts are gal-

vanized, zinc-coated to protect them against rust and corrosion.

Doors in the Ford Family of Fine Cars are stronger. They are reinforced with steel beams. This means they are more rigid and therefore close tighter and quieter, reducing the likelihood of developing squeaks and rattles.

If you compare door latches, you will see that in our cars they are bigger and heavier than door latches in other cars. This makes for a tighter, stronger grip which reduces the possibility of doors springing open under impact. Statistics show that passengers who remain inside the car in an accident are twice as safe.

One reason for the unusually quiet

ride in the Ford Family of Fine Cars is the soundproofed floors. Where other cars have only two layers of sound insulation, our cars have three layers of sound insulation. Each layer eliminates a different range of sound from rumbles to squeaks. As a result, very little noise gets through to the passenger compartment.

These are five of the many reasons we think you will find (upon comparing our cars with other cars) that Ford Motor Company builds better bodies.

going to live better than  ever before ... electrically!

You, today's graduate, are entering an exciting new era where you will live better than any generation has ever lived before—the era of a 1-electric living.

Your all-electric home for example, thanks to time-saving electric equipment and appliances, will allow you and your family more time to enjoy life together.

Your job will be smoother, too. Electricity, in everything from office equipment to heavy machinery, will lighten your work—make it more enjoyable.

If you decide on further education, your field of study may well be related to electricity. Perhaps someday, as a scientist or technician, you will even

lend your knowledge to further mold the all-electric world of tomorrow.

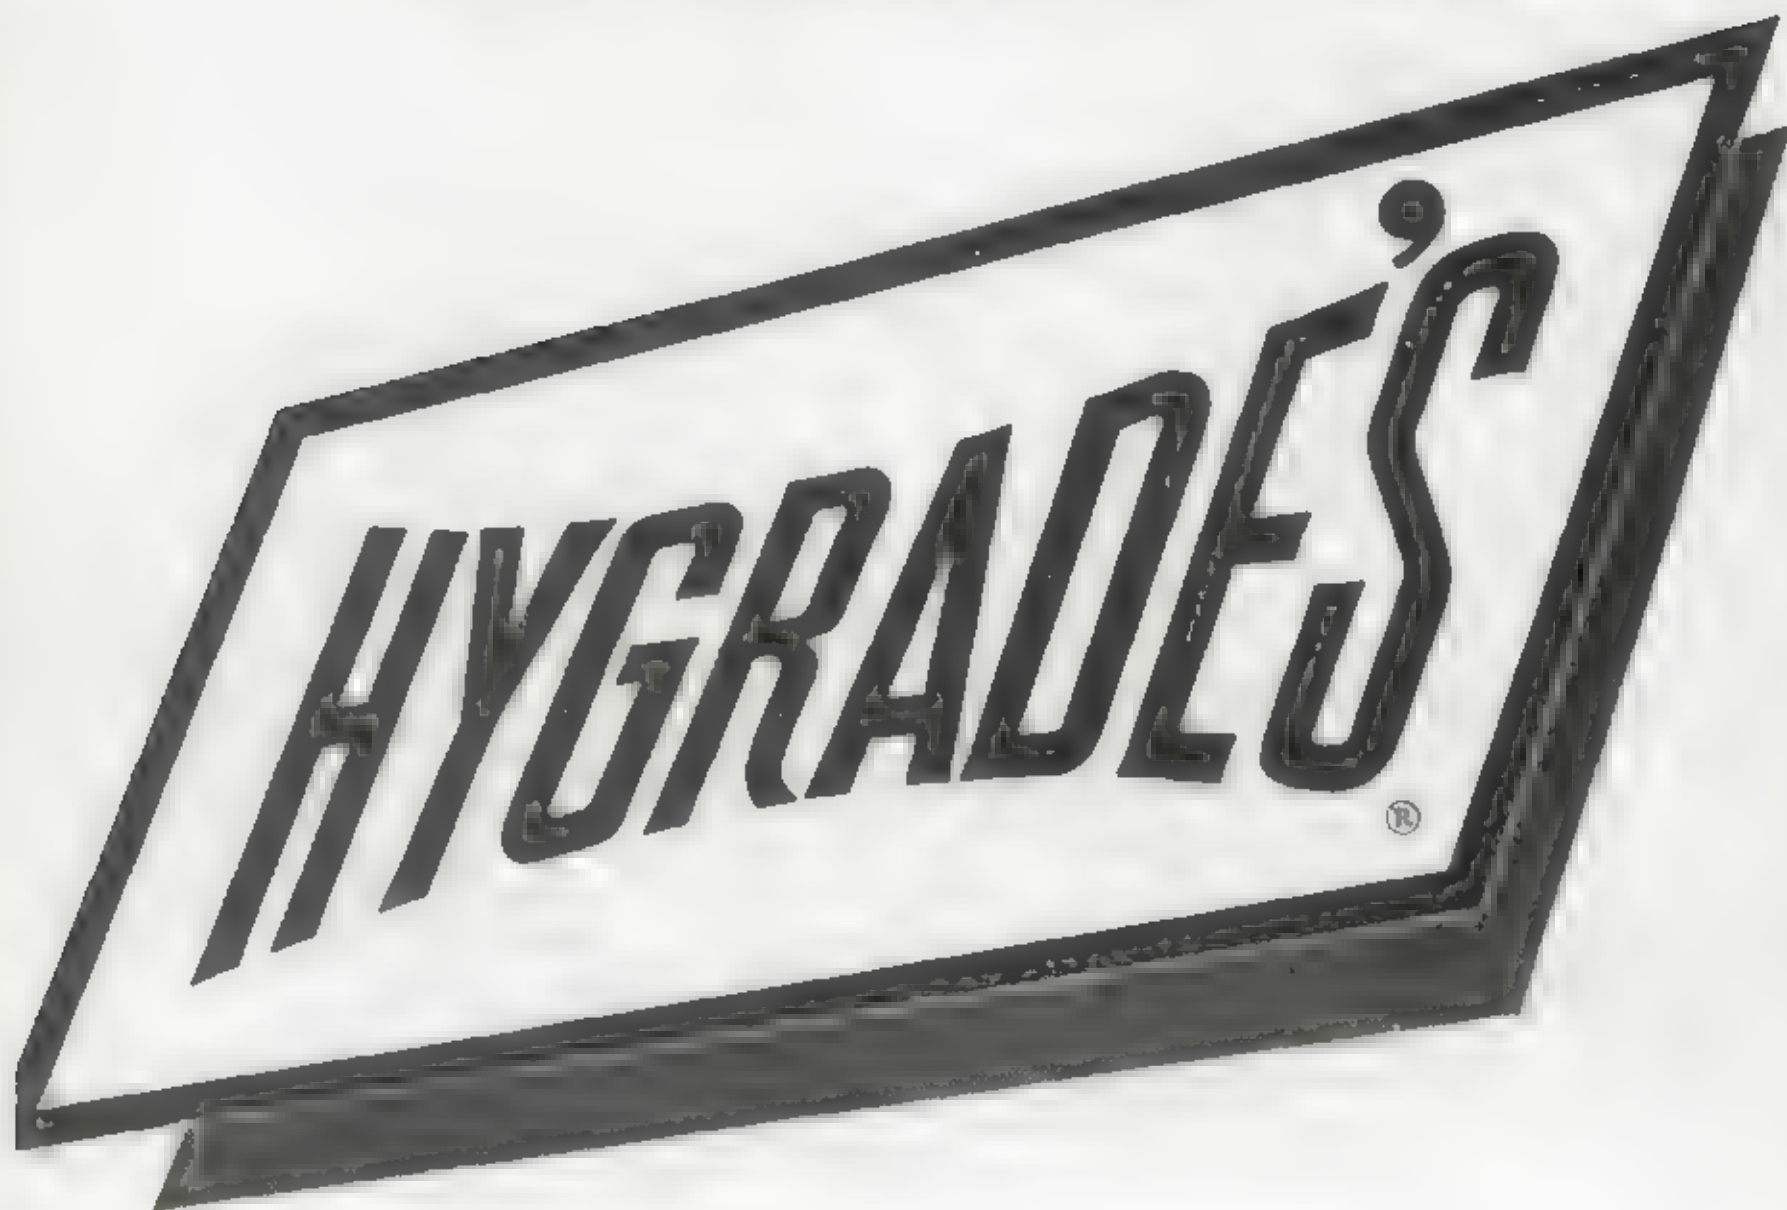

But wherever the future finds you, whatever your place in life, electricity will be there to help you live better than ever before—live better electrically.

Dear Step h,

It's really been fun this year with all our fights over you-know-who, and earlier all my fights with Sally. Gosh! I felt awful about those, but as it turns out Sally and I are now good friends so everything's all right. Do you remember the beginning of spring vacation? What fun we had

and T.P. came over every night when my ⁴³⁰ ~~430~~ was out and how we just sat and ~~and~~ ^{and} talked all night? Lord! did we ever have ~~crushes~~ ^{crushes} on those two boys, and I mean Crushes!

We'll have a great summer cuz of all the things we can do. Just think, the Yacht Club, Country Club, Little Club, and the Village. We can spend the nights and really have a BLAST!!!! The carnival will be a ~~to~~ blast, too, but I do wish that Johnny and Ricky and you and me could double, but of course Ricky wouldn't even answer me when I suggested it. ~~But~~ But you and I are going together Saturday alone, and we can ride and ride and eat and stuff our faces and have a PANIC!!

Please don't forget to write me next year and have a real Blast!

Love ya always,

Else
